# Intro

If you're reading this, welcome! This book will basically be a book of questions about the warrior cats.

The original idea for "If You're Reading This" is not mine. There have been a few people to do this, but I believe that it was started by @boyswithguitars. On my old account, before I became obsessed with warriors, this was my favorite book on Wattpad. So why not combine the two, I thought, and make a warriors style If You're Reading This?
